

OVERVIEW

The iTravelInsured Travel SE plan is our most popular plan for domestic and international destinations. Travel insurance coverage and benefits are available whether traveling on a cruise, tour, or vacation abroad. Family extras such as movie rental, internet usage, and additional kennel fees caused by travel delay are included.

With iTravelInsured Travel SE you may recover non-refundable, unused payments and deposits when a trip is cancelled or interrupted due to a covered reason. Benefits are also provided for travel delays, baggage delays, and emergency medical treatment while you are away from home.

Separate from these benefits, IMG can provide non-insurance emergency travel assistance, such as helping you replace lost travel documents or lost prescriptions, emergency cash transfers, and legal and medical referrals when necessary.
